

ASAR Voting Season

Vote Ed Mascadri for ASAR 1st Vice President

Transparency, Integrity, and Commitment!

About Me

It is my honor to announce that I am running for the position of First Vice President of ASAR. For the past two years, I have been Acting Principal of Vanguard Collegiate High School. I began my career in the Rochester City School District in September 2000, as a Math Teacher. In September 2008, I began my administrative career as an Assistant Principal and worked in that capacity until September 2017, when I assumed the role of Acting Principal. I also served on ASAR Executive Council from 2015-2017. I believe that I have the essential characteristics needed to serve you as First Vice President. I will provide you with the support, dignity and respect that professionals should be provided with.

About the Work

I contemplated seeking election because of my growing concerns about how our workload is increasing and how the work is being devalued. Also, we are again facing major cuts in our administrative workforce. These cuts are critical to the function of our schools. As a comprehensive unit, we must send a strong message that our work is important. In the absence of advocacy, we send the message that the elimination of key positions means we are disposable.

As ASAR's 1st Vice President, I will schedule regular meetings at the building-level to hear from ASAR members about their concerns. With your help, I will focus on prioritizing and addressing these concerns. I am also committed to becoming more knowledgeable about State and District laws/policies so that they can be better used to advocate for membership rights and benefits.

At this time, it is crucial that we, as ASAR members, take a stance and require the respect and rights that we have earned through our hard work and dedication.

Thank you in advance for your vote of confidence and your election vote. Please feel free to reach out to me with any questions that you have.

Your colleague in the work,

Ed Mascadri
