ARTICLE I
DURATION

This Agreement is entered into on this 20th day of November 2014, by and between the Board of Education Non -Teaching Employees (BENTE) Union Local 2419, affiliated with New York Council 66 of the American, Federation of State, County and Municipal Employees, AFL-CIO (hereinafter referred to as the Union) and the Board of education of the City School District of Rochester, New York (hereinafter referred to as the Board). The provisions of this Agreement shall be effective July 1, 2014, and continue and extend through June 30, 2017.

ARTICLE II
RECOGNITION

1. The Board hereby recognizes BENTE, Local 2419, New York Council 66, AFSCME, AFL-CIO, as the sole and exclusive bargaining representative of all employees as listed in Appendix "A". This recognition shall be applicable for a period not to exceed the expiration date of this Agreement.
2. The term "employee" when used hereinafter in this Agreement shall refer to all employees represented by the Union in the bargaining or negotiating unit as defined in Appendix "A". The Board agrees not to negotiate with any employee organization other than BENTE, Local 2419, Council 66, AFSCME, AFL-CIO, for the duration of this Agreement.
3. No employee(s) shall have the power to act as agent for or otherwise bind the Union in any way whatsoever except to the extent specified in this contract.

ARTICLE III
FAIR PRACTICES

The Board and the Union agree to the policy of fair practices and each party to this Agreement is committed to follow all appropriate federal and state statutes in regard to fair practices.

The BENTE/AFSCME Local 2419 agrees to maintain its eligibility to represent its members by continuing to admit persons to membership without discrimination on the basis of age, race, creed, color, national origin, sex, sexual orientation, marital status or handicapping conditions, and to represent equally all employees without regard to membership or participation or association with the activities of any employee organization.

The District agrees to the policy of not discriminating against any employee on the basis of age, race, creed, color, national origin, sex, sexual orientation, marital status, handicapping conditions or membership or participation in or association with the activities of any employee organization.

ARTICLE IV
PURPOSE OF AGREEMENT

The purpose of this Agreement is to clearly and concisely set forth the understanding reached by the parties through collective bargaining which established fair wages, hours and working conditions for the employees covered by this Agreement, to secure prompt and equitable disposition of grievances. It is recognized that the Board of Education is fiscally dependent upon the appropriation of necessary funds by the Rochester City Council.

The parties agree to continue to meet during the 2014-15 school year to discuss collaborative ways to reduce the district's structural deficit long term.

ARTICLE V
LEGISLATIVE APPROVAL

It is agreed by and between the parties that any provision of this Agreement requiring legislative action to permit its implementation by amendment of law or by providing the additional funds, therefore, shall not become effective until the appropriate legislative body has given approval.

ARTICLE VI
NO STRIKE CLAUSE

No strike of any kind shall be caused or sanctioned by the Union during the term of this Agreement.

ARTICLE VII
MANAGEMENT RIGHTS

The Board of Education retains the sole right to manage its business and services, and to direct the working force; to determine whether and to what extent the work required to operate the business and services is to be performed by employees covered by this Agreement. Those rights shall also include, but not be limited to, the sole right to hire, assign, transfer, promote, discipline, suspend and discharge. These rights shall be subject to such regulations governing the exercise of these rights as are expressly provided in this Agreement or provided by law.

ARTICLE VIII
UNION RIGHTS

Section 1. Union Dues and Agency Fee

- A. All employees covered by this Agreement wishing to join the Union shall tender their membership dues to the Union

by signing the Authorization for Payroll Deduction form provided by the Union.

B. The Board of Education agrees to deduct membership dues from the salaries of employees who are members of the Union and to provide any additional deductions mutually agreed upon as said employees individually and voluntarily authorize the Board to deduct, and to transmit the monies promptly to the designated financial officer of the Union. Such authorization shall be in writing in a form to be supplied by the Union.

C. The aggregate total of all such deductions shall be remitted biweekly to the designated financial officer together with a list of those from whom dues have been deducted.

D. The Union shall certify to the Board the current rate of membership dues to such organization, and shall notify the Board of any change in membership dues.

E. Dues deductions as authorized by individual members of the Union shall continue in effect from year to year for the life of this Agreement, unless revoked in writing. Any member of the Union desiring to have the Board discontinue deductions he/she has previously authorized shall do so by notifying the Director of Accounting in writing of said revocation. A copy of the written revocation shall be sent by the employee to the designated financial officer of the Union.

F. The Board agrees that it will not accord dues deductions rights to any employee organization claiming or seeking to represent employees covered by this Agreement other than the Board of Education Non Teaching Employees (BENTE) Union, Local 2419, New York Council 66, AFSCME, AFL-CIO.

G. The Board shall not be responsible for collecting any such dues not authorized to be deducted.

H. If any monies are deducted by the Board from the pay of members of the Union and turned over to said organization and those members do not owe said monies, the Union shall refund same to the members, and the Board shall not be liable for any refund.

I. The Board agrees to submit to the Union each month a list of new employees hired, their job classification, and work location.

J. Effective December 1, 1978 the Rochester City School District shall deduct from the wage or salary of employees in the bargaining unit who are not members of the BENTE/AFSCME Local 2419 the amount equivalent to the dues levied by the Union and shall transmit the sum so deducted to the Union, in accordance with Chapters 677 and 678 of the Laws of 1977 of the State of New York.

The Union affirms that it has adopted such procedures for refund of agency shop fee deducted as required in Section 3 of Chapters 677 and 678 of the Laws of 1977 of the State of New York. This provision for agency shop fee deduction shall continue in effect so long as the Union maintains such procedure.

This agency shop fee deduction shall be made following the same procedures as applicable for dues check-off, except as otherwise mandated by law or this Section of the Agreement.

K. The Board of Education agrees to deduct monies for the AFSCME Political and Legislative Fund from the salaries of employees who are members of the Union and who voluntarily authorize the Board to deduct, and to transmit the monies promptly to the designated financial officer of the Union. Such

authorization shall be in writing in a form to be supplied by the Union.

L. It is specifically agreed that the City School District and the Board of Education assume no obligation, financial or otherwise, arising out of the provisions of this Section, and the Union agrees that it will indemnify and hold the District and the Board harmless from any and all claims, actions, demands, suits, or proceedings by any employee, or any other party, arising from deductions made by the District or Board and remittance to the Union of dues and any other fees under this Section.

Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

The Union shall reimburse to the District a portion of such salary as is mutually agreed to at the time of each re-negotiation of this Agreement. However, nothing contained in this Section shall be construed to waive or limit the power of the Board of Education to abolish, create, or modify positions within the bargaining unit.

Steward/EAP/Educational Coordinator: forty (40) hours per full week

Recording Secretary: ten (10) hours per full week

Sergeant-at-Arms (2): total of eight (8) hours per full week

F. No later than the last Friday of the month after which a new member begins employment, the District shall hold an orientation meeting for all new employees during their regularly

Section 4. Special Conferences

Conferences between representatives of the employer and no more than three (3) representatives of the Union on important matters, which may include the discussion of procedures for avoiding future

grievances and other methods of improving the relationship between the parties, may be held upon request by the parties. Employees acting on behalf of the Union shall suffer no loss of time or pay, should such meetings fall within their regular work hours.

Section 5. Access to Premises

Duly authorized representatives of the Union shall have the right to transact official organizational business on school property. Upon arrival, such authorized representatives shall report their presence to the principal or person in charge of the work location. The principal or person in charge of the building or work location shall then confer with the duly authorized representatives in order to facilitate the purpose of the visit, provided such visit shall not interrupt normal school operations, or interfere with the performance of duties assigned to the employees, and is approved by the principal or the person in charge of the building or work location. Approval shall not be unreasonably withheld.

ARTICLE IX
GENERAL EMPLOYMENT PROVISIONS

Section 1. Definitions

- A. For the purpose of this Agreement, a "full-time" employee is one whose yearly assignment shall be for at least four (4) hours per day for at least 180 days, or one whose regular schedule is at least twenty (20) hours a week for at least 180 days.
- B. For the purpose of this Agreement, "year" shall mean the scheduled work year during the period from July 1 to June 30.
- C. All 10-month employees will be notified of their start date for the following school year no later than June 30 and their end date for the current school year no later than March 1.

Section 2. Position Classification

All positions in the bargaining unit will be classified as in Appendix "A". Appointment to any of these positions will be in accordance with Civil Service Rules and Regulations and the terms of this Agreement.

The District agrees to consult with the Union prior to any proposed changes in job classification for those positions that are encumbered by a BENTE member. For vacant positions, the District will provide notification to the Union of any proposed changes prior to posting the position in the Administrative Bulletin. In the event that the District determines that the job duties are that of a position that exists in another bargaining unit, the District will bargain the impact with the Union.

Section 3. Temporary Employees

A. Temporary employees shall be hired in the competitive class only to supplement the regular work force in seasonal peak periods or emergencies, and in accordance with the following guidelines:

1) Under Three (3) Months

A temporary (acting) appointment may be made without regard to Civil Service lists and without submission of Civil Service application.

2) Between Three (3) and Six (6) Months

A temporary (acting) appointment should be made from an appropriate Civil Service list, if available, but without regard to relative standing on the list. If no list exists, an application must be submitted to the Civil Service Commission for approval of the temporary employee.

3) Over Six (6) Months

A temporary (acting) appointment must be made from an appropriate eligible list, if available, observing the relative standing on the list under the so-called "rule of three". However, such an appointment shall not exceed one (1) year.

B. Any employee who is hired on a temporary basis and who is subsequently transferred to permanent status shall be credited with seniority for the purpose of all benefits of this Agreement from the date of the permanent appointment after successful completion of the prescribed probationary period.

C. Temporary employees shall receive the same rate of pay as probationary employees within the same classification.

D. This Article is subject to the Civil Service Commission Rules and Regulations and any changes in those Rules and Regulations shall be automatically incorporated into this Agreement.

Section 4. Physical Examination

A. All employees hired on a full-time basis shall be required to have a medical examination prior to employment by a physician representing the City School District.

B. Employees in the service of the City School District shall be subject to a physical or mental examination whenever there is evidence of physical or mental incapacity. Such examination shall be conducted by a physician or psychiatrist representing the City School District. However, should an employee choose to be examined by a physician of his/her own choosing in cases where the physical examination is required, the City School District shall pay only the portion that represents the rate paid to physicians representing the City School District. Any additional costs incurred shall be borne by the individual employee, provided, however, that the City School District retains the right to have a physician representing the City School District conduct an examination in those cases where physical incapacity is suspected. A committee shall be established by the Chief of HCI to develop administrative procedures concerning testing of employees whose performances may be impaired by the use of alcohol and controlled substances. The Union shall be afforded full rights of participation in this committee.

C. The City School District retains the right to have any employee examined by a physician representing the City School

District before said employee returns to work after an illness. Any misuse of this provision shall be subject to the contractual grievance procedure.

D. Physical examinations each year, between the end of one school year and the beginning of the next, by a District appointed physician shall be required of all employees assigned as drivers or assistant drivers of any or all District owned and District operated vehicles, including buses, trucks, delivery wagons, and station wagons. All lunchroom employees may be required to have a medical examination each year before returning to work in September.

Section 5. Assignments

A. For employees covered by this Agreement hired prior to July 1, 1975, employment shall be on a twelve (12) month basis unless the assignment prior to July 1, 1975 was otherwise. For those employees hired prior to July 1, 1975, when it is considered beneficial and practical to both the employee and the City School District, arrangements may be made to allow ten (10) month assignments or twelve (12) month assignments within the same position at the discretion of the District. Up to ten (10) clerical employees who were hired or promoted into a twelve (12) month assignment shall remain in a twelve (12) month assignment throughout the length of their employment with the District. Employees retained during the summer months as a result of this provision will be required to work in assignments supporting the District's summer school programs. Such employees shall not be allowed to use vacation days while school (including summer school) is in session unless such use is approved by the Chief of Human Capital Initiatives and shall not require the District to incur added costs for substitutes. For the first year only, accommodations may be made to facilitate prior vacation plans upon proof that such plan would incur costs to the member if canceled. If accommodations cannot be made,

the member will have the right of refusal to become 12-months until the following recess period.

B. For full-time employees hired after July 1, 1975, assignments shall be made for at least 180 days for each succeeding year of this Agreement.

Section 6. Work Week

A. For those employees whose employment is on the basis of thirty-five (35) hours per week, assignments shall be Monday through Friday, inclusive of seven (7) consecutive hours per day (excluding lunch) within a twenty-four (24) hour period commencing from the start of the employee's regular work schedule.

B. For those employees whose employment is on the basis of forty (40) hours per week, assignments shall be Monday through Friday, inclusive of eight (8) consecutive hours per day (excluding lunch) within a twenty-four (24) hour period commencing from the start of the employee's regular work schedule¹.

C. Deviation from the work schedule may be made with the mutual consent of the employee, his/her immediate supervisor, and the Union.

D. Effective August 1, 2001, employees in the following departments and titles will be increased to a forty (40) hour work week: Accounting, Budget, Elementary School Secretaries, MIS, and Payroll. Effective July 1, 2004, Senior School Secretaries will be increased to a 40 hour work week.

¹ Exceptions to the above provisions shall include custodial personnel employed at the Central Office and Service Center.

Section 7. Work Hours/Schedules

A. Work schedules showing the employees' workdays, and total hours and time period assigned shall be posted on all department bulletin boards at all times.

B. All employees shall work on a regular schedule and each schedule shall have a regular starting and quitting time.

C. In the event that the Department Head desires to adjust an employee's work hours, he/she shall notify the Union and the employee in writing at least five (5) days prior to making the change. A new work schedule shall be included with the notification. If the District determines that an individual needs to be temporarily assigned to the Alternative Work Location due to exigent circumstances, then the five (5) day notice requirement may be waived, upon notice to the union.

D. The District shall not reduce any title listed in Appendix A to less than twenty (20) hours per week and shall not create titles under twenty (20) hours in an effort to supplant the work force. The District and BENTE agree that the following positions are not part of the bargaining unit (and may work less than 20 hours per week): Food Service Helper Under 4 Hours/Day, School Sentry I Sub, School Sentry II Sub, Guard,-PT, Bus Driver – On Call, Food Service Helper – PT (used as a substitute), and Substitute Cleaner.

Section 8. Rest Periods

All employees' work schedules of four (4) or more hours will provide for a fifteen (15) minute rest period during every three-and-one-half (3.5) hours worked. The rest period shall be scheduled at the middle of every three-and-one-half (3.5) hours worked.

Section 9. Clean-Up Time

Employees who are required to use manual/physical equipment to perform their job shall be granted a ten (10) minute clean-up period prior to the end of the work shift.

Section 10. New Positions and Specifications

When any bargaining unit position is established or the specifications of any existing positions are materially changed, the City School District, after consultation with the Union, may designate a job classification or new specification and rate structure for the position.

Section 11. Work Rules

A. The City School District retains the right to establish reasonable rules and regulations to promote the effectiveness of the instructional program, improve the efficiency of all supporting services, and provide for the safety of all pupils, employed staff, and persons using school district facilities, except where it is contrary to the provisions of this Agreement.

B. The City School District agrees that any major new work rule, or substantial change in existing rules, shall not become effective until the Union has been notified, and in addition, has been posted prominently on all bulletin boards for a period of ten (10) consecutive workdays.

C. Employees shall comply with all rules that are not in conflict with the terms of this Agreement, provided the rules are uniformly applied and uniformly enforced.

Section 12. Driver Accident Policy

The Driver Accident Policy covers all drivers of the Rochester City School District.

- A. A Chargeable Accident is defined as any occurrence involving a City School District owned or leased vehicle which results in property damage and/or personal injury, regardless of who was injured, what property was damaged, to what extent or where it occurred, and in which the driver failed to do everything that reasonably could have been done to prevent the occurrence. For purposes of this policy, a “vehicle” shall be defined as any registered motor vehicle.

- B. If any employee is involved in an accident, the School District’s Safety Coordinator, Motor Vehicle Licensed 19-A Examiner or Department head who has formal training in accident reconstruction (collectively, a “Motor Vehicle Investigator”) will investigate the accident to determine if the accident was preventable. If the Motor Vehicle Investigator wishes to interview the employee involved in the accident, the employee shall have the right to be represented by a union representative.

- C. If a driver has been found to have a Chargeable Accident, he/she may appeal that decision to the “Appeals Committee”. The Appeals Committee shall be composed of six drivers and the Safety Coordinator. Appointments to the committee shall be made by the Department Managers. If the employee does not challenge the decision of the Motor Vehicle Investigator within ten (10) working days, the matter will be referred to HCI for appropriate disciplinary action, if necessary, as stated in #4 below.

- D. The Appeals Committee shall make a determination, by a majority of those members in attendance at a meeting, as to whether or not the accident was preventable. If the Committee overturns the decision of the Safety Coordinator,

they must state the basis in writing. If the Appeals Committee makes such a finding that the accident was preventable, the Committee shall advise the employee and his/her union representative in writing of all findings. The Committee shall then refer the matter to HCI for a recommendation regarding appropriate disciplinary action, subject to the provisions of Article XII of the Collective Bargaining Agreement. HCI can consider relevant disciplines documented within the employee's personnel file for a period of up to three (3) years.

- E. For the purposes of this policy, there shall be a shortened grievance and arbitration process for any disciplinary action issued as described above. The Union will file the grievance at Level 2 within 5 working days of the discipline being issued to the driver. The Office of Labor Relations will schedule a Level 2 grievance meeting within 5 working days of receiving the grievance and will submit a written response to the Union within 5 working days of the meeting. Should the grievance response not resolve the grievance to the satisfaction of the Union, the Union will submit a written request for Arbitration within 10 working days of receiving the Level 2 grievance response.

- F. This provision of the Collective Bargaining Agreement is intended to expressly supersede all prior practices of the District, including all prior Memorandum of Agreements.

ARTICLE X
GENERAL WAGE PROVISION

All wages and monies shall be paid in accordance with the provisions of this Article and the attached Appendixes. Once placed on the new wage schedule, an employee will advance one step each successive July 1 until they go off schedule.

**Movement will be as follows, unless otherwise stated in Article X, Section 3E, Increments (regular), below:

Year 1

1. Effective on July 1, 2014, employees on the wage schedule in Appendix B shall advance one step.

Year 2

1. Effective on July 1, 2015, employees on the wage schedule shall advance one step.
2. Effective on July 1, 2015, employees on the highest step of the wage schedule and employees off-schedule shall receive wage increases of 2.5%.

The initial wage rate of each person appointed shall be set in accordance with the schedule as negotiated in this agreement, except that all newly appointed personnel from outside the school system may be assigned at any initial wage rate on the appropriate schedule, and shall

be advanced in wages based on satisfactory service until the normal maximum is reached.

Section 2. Pay Practices

A. All employees shall be paid biweekly on the same day, and all adjustments shall be on that basis. In the event this day is a holiday, the preceding day shall be the payday. A payroll period shall be defined for the purpose of this Agreement as the two (2) weeks for which biweekly paychecks are issued.

B. Whenever an employee is absent from work and is not entitled to wages under the provisions of this Agreement, that time shall be deducted at the hourly rate in effect

C. Payroll periods shall be scheduled so that there shall be a ten (10) day holdback of pay in order that adjustments due to absences may be made before paychecks are issued. An employee shall not be entitled to wages, allowances, or benefits, unless specifically provided for elsewhere in this Agreement if that employee is not assigned to work that day.

It is recognized that to comply with the Fair Labor Standards Act, a five (5) or ten (10) day payroll holdback may be required.

Such implementation shall be accomplished only after consultation with the Union.

D. The pay stubs will show the regular and overtime hours worked in a pay period.

Section 3. Increments (regular)

HCI will share certain information pertaining to the investigation during the initial meeting and prior to imposing any disciplinary action upon the employee. If the employee fails to appear for the meeting, he/she will have until the next business day or a mutually acceptable date to submit any evidence to support their position.

Out-of-title assignments shall not be made so as to avoid compensation for out-of-title assignments.

Section 6. Supplanting the Work Force/Subcontracting

If the City School District intends to maintain a service currently provided by bargaining unit members and plans to subcontract that service so as to cause a layoff of bargaining unit employees who provided that service, the City School District shall bargain the impact of that decision.

ARTICLE XV

E. An employee shall not accrue illness allowance or vacation allowance while on parental leave of absence without pay.

F. Upon return from leave, an employee with probationary status must complete the unexpired portion of the probationary period satisfactorily before permanent status is secured.

If an employee chooses another assignment, the employee will accept the position at the applicable rate of pay.

A physician's statement must accompany the request for such leave indicating the reason for disability and the approximate length of absence. Failure to comply with the above requirements shall constitute a waiver of the right to authorized leave and may subject the employee to automatic termination of his/her service.

G. When an employee returns from an authorized illness or injury leave, and when determined physically able to return to work by his/her own physician and/or a physician representing the City School District, he/she shall be reinstated to his/her former job classification.

Unit members shall receive an incentive of \$100/day of unused sick days up to a maximum incentive of \$10,000, which will be paid to the member or deposited into a tax-sheltered plan no later than three (3) pay periods after their retirement date.

ARTICLE XIX **ILLNESS ALLOWANCE**

Section 1. Entitlement

Effective October 8, 1990, all employees in the bargaining unit shall receive and accrue illness allowance at the rate of one (1) day per month commencing after one (1) calendar month of full-time employment and monthly thereafter (on the anniversary date of each month).

For the purpose of computing accruals, employees who work less than twelve (12) month assignments will accrue illness days only during the months of their employment. Any employee who uses advanced illness allowance and separates from the District for any reason prior to having earned the illness allowance on a prorated monthly basis shall have deducted from his or her final salary check the amount equal to the number of days taken but not earned.

Any ten (10) month employee who is scheduled to work at least twenty (20) days during the months of July and August shall accrue and be eligible to use sick leave as per this Article.

Three (3) or more separate incidents of Sick Leave usage in a calendar month may result in discipline including loss of pay for illness days used and loss of accrued day that month.

Employees whose length of service has been broken by a District-initiated layoff, but who have been back three (3) or more continuous years after their most recent date of re-employment as a result of being recalled from a District preferred-eligible list, shall have all unused accrued sick leave allowances available at the time of their layoff restored to their available illness allowance for current use. (This subsection shall be applied in conjunction with the terms of Article XIX, Section 2.) Waiver of the three (3) or more years continuous service requirement covered by this paragraph and deemed necessary because of extreme hardship or unforeseen circumstances shall be made only upon the recommendation, approval and sole discretion of the Chief of HCI and the final approval of the Superintendent.

Section 2. Procedure for Granting of Illness Allowance

B. A Certificate of Personal Illness (CPI) must be completed and filed in all absences for illness longer than three (3) consecutive working days. In all instances, the employee shall forward the signed Certificate of Personal Illness to the HCI Department not later than five (5) working days from the date the employee returns to work. Failure of any employee to comply with the above procedure will result in a full deduction for all days absent and shall forfeit any right to retroactive pay for all days absent regardless of whether or not a signed Certificate of Personal Illness is presented subsequent to the above five (5) days restriction. The Certificate of Personal Illness shall:

- 1) State the nature and extent of the illness, and
- 2) Part II of the Certificate of Personal Illness must be completed by a duly registered physician, licensed chiropractor, or a Christian Science Practitioner for each payroll period. Forms signed by a chiropractor cannot be accepted unless and until he/she is licensed by the State of New York.
- 3) Return to Service Following a Long Illness (twenty or more consecutive workdays): An employee who has been absent because of a long illness must submit a Certificate of Personal Illness (CPI) from his/her physician stating the date he/she is approved to return to full-time employment and resume usual duties. This certificate must be submitted prior to or on the effective date of return.
- 4) If an employee is able to return to work with restrictions, then the District will engage in the interactive process and assess individuals on a case-by-case basis to determine if the individual can be reasonably accommodated.

C. Certificate of Personal Illness (CPI) – Special Circumstances:

- 1) State the nature and extent of the illness, and
- 2) Part II of the Certificate of Personal Illness must be completed by a duly registered physician, licensed chiropractor, or Christian Science Practitioner for each payroll period for all days taken regardless of the number under the following circumstances:

- a. Before or after holidays and/or paid local recess days.
- b. Before or after paid scheduled recesses (February, etc.)
- c. First and last day school is in session.
- d. At any time, if reasonable suspicion is established based upon repeated or excessive absenteeism, by the Superintendent of Schools or his/her designee.

D. Wages will not be allowed under the above provisions in the following cases:

- 1) For bodily illness or injury caused outside the school or office by another where successful recourse is had to the regular procedure for collecting damages.
- 2) For illness or injury incurred while performing other employment not in the service of the City School District, including gainful self-employment.

E. All time for which an employee is credited with sick leave taken shall be considered as time worked.

Section 3. Extended Sick Leave at One-Half (1/2) Pay

A. Extended Leave at One-Half (1/2) Pay shall be authorized after earned sick leave accruals, unused earned vacation days, and earned personal leave days have been exhausted, with the approval of the Chief of HCI. Such leave shall be granted only on the basis of an Attending Physician Statement, clearly stating the nature and expected length of the

disability. Said Attending Physician Statement is to be filed with the Chief of HCI within seven (7) calendar days of the employee exhausting all full pay accruals. The Extended Sick Leave will be retroactive to the date of eligibility.

B. Eligibility. Extended Sick Leave at One-Half (1/2) Pay shall be granted to employees with a minimum of one (1) year of continuous service. This benefit can only be used once every twelve (12) months no matter how short the duration of One-Half (1/2) Pay is used.

C. Initial Allowances: Based upon years of service to the City School District, employees will have the following allowances of Extended Sick Leave at One-Half (1/2) Pay for each of the service time periods indicated:

- One (1) full year but less than three (3) years – 30 working days;
- Three (3) full years but less than six (6) years – 60 working days;
- Six (6) full years or more – 90 working days.

Service time must be continuous years of service with the City School District of Rochester.

D. Additional Allowance: If an employee utilizes any amount of Extended Sick Leave at One-Half (1/2) Pay, he/she will begin re-accumulating the allowance according to the schedule in Subdivision C as if he/she were a new employee. However, an employee will retain any unused Extended Sick Leave at One-Half (1/2) Pay allowance previously accumulated. Retained allowances and additional allowances provided in this subdivision shall not be cumulative and in no event shall the total allowance exceed the maximum allowance set forth in Subdivision C. An employee's eligibility for additional allowance will be calculated from the day he/she resumes

working after having last used Extended Sick Leave at One-Half (1/2) Pay.

E. Employees shall receive the following fringe benefits while on Extended Sick Leave at One-Half (1/2) Pay: Pension, Blue Cross/Blue Shield, Medical and Hospital benefits, Dental benefits, and Life Insurance. There shall be no accrual of vacation, sick or personal leave while on Extended Sick Leave at One-Half (1/2) Pay.

F. An employee who is on Extended Sick Leave at One-Half (1/2) Pay shall not be eligible for Catastrophic Illness Leave, as described in Section 4 of this Article. Employees diagnosed with an illness or injury of a catastrophic nature while on Extended Sick Leave at One-Half (1/2) Pay, may also apply for Catastrophic Illness Leave retroactive to the date of the diagnosis.

Section 4. Catastrophic Illness

A. Upon complete exhaustion of earned paid illness allowance provisions of this Agreement, a unit member with a minimum of one (1) year of continuous employment from the employee's most recent date of hire with the Rochester City School District may request from the Superintendent of Schools a Catastrophic Illness Leave. The Superintendent shall convene a joint committee chaired by the Chief of HCI to review the request. If the joint committee recommends and the Superintendent approves, a unit member may receive up to ninety-five (95) illness days. Vacation, illness and personal days will not accrue during extended leaves.

B. Upon exhaustion of such paid Catastrophic Illness Leave, the unit member may reapply for an additional paid illness leave of up to ninety-five (95) days. The granting of such additional leave is discretionary on the part of the

Superintendent and is contingent upon the unit member applying for a retirement (disability or regular service) at the time of their application for an additional ninety-five (95) paid illness days and resigning from employment with the City School District at the end of such leave. No seniority shall accrue during Catastrophic Illness Leave.

C. An employee on an approved Extended Sick Leave at One-Half (1/2) Pay as set forth in Section 3 of this Article shall be eligible for Catastrophic Illness Leave as provided for in paragraph B above only upon applying for a disability retirement or resignation.

Deviation from any of the regularly specified conditions and exceptions covered by this section and necessary because of extreme hardship or unforeseen circumstance may be made at the sole discretion of the Chief of HCI. Requests for hardship pay must be made in writing to the Chief of HCI and shall include the reason for the request and the endorsement of the employee's Principal or Supervisor.

Section 5. Hardship

Deviation from any of the regularly specified conditions and exceptions covered by this article and necessary because of extreme hardship or unforeseen circumstance may be made at the sole discretion of the Chief of HCI. Requests for hardship pay must be made in writing to the Chief of HCI and shall include the reason for the request and the endorsement of the employee's Principal or Supervisor.

ARTICLE XX

WORKERS' COMPENSATION

Section 1. Coverage

All employees shall be covered by Workers' Compensation as governed by the laws of the State of New York. Rules relating to Workers' Compensation covering injuries sustained during the course of employment with the City School District apply to both full and part-time employees.

Section 2. Method of Payment

A. Full salary shall be paid for an absence due to an injury for as many days as the injured employee has accumulated illness allowance. Only the first five (5) days will be deducted from illness allowance. If an employee exhausts all his/her accrued sick leave days due to a Compensation Injury, upon his/her return to work he/she will be allowed to use up to an additional ten (10) sick leave days for illness or injury. When the Workers' Compensation Board reimburses the District in settlement of the employee's claim, any such additional days used by the employee shall be deducted and kept by the District.

B. When full salary in lieu of the Compensation rate as prescribed by law, has been paid for the number of days representing accumulated illness allowance, the injured employee shall then be paid the Compensation rate for the balance of the disability until the physician has declared the injured ready to resume his/her usual work. This Compensation payment covers summer months and unpaid school vacation periods. Ten-month employees must provide proof of employment during the previous summer in which they worked in order to be paid Compensation for the summer months.

C. If an employee is still disabled on July 1, full salary shall be resumed to the limit of his/her illness allowance.

D. Permanent or long-term disability shall be handled individually as the need arises. The Union and the employee shall be informed of all such proceedings.

E. The City School District will pay all medical bills arising from compensation injuries. All compensation matters are handled by the HCI Department.

F. All reports of injuries must be forwarded to the HCI Department within thirty (30) days from the date of injury.

ARTICLE XXI
INSURANCE BENEFITS

Section 1. Health and Dental Benefits

All regularly appointed employees assigned full time (to their position) shall be entitled to the level of health and dental insurance coverage equal to or exceeding the 2010 levels of insurance provided by the District's Health and dental insurance coverage, including employee dependents as defined by the plans or required by law.

Unit members who are employed by the District on the last scheduled work day of the school year shall be eligible for continued health insurance benefits during July and August under the same terms as provided during the school-year, even if an employee resigns, retires, or is laid off by the District at the end of the school year. To be eligible for summer health insurance benefits during July and August upon resignation or retirement, a unit member must provide written notice to the Chief of Human Capital Initiatives no later than June 1. Unit members who resign in lieu of termination for just cause or who are eligible for comparable coverage from another employer shall not be eligible for continued insurance coverage by the District.

Employees will be immediately eligible for Dental Insurance upon hire. An employee may apply for coverage immediately upon hire by submitting to the Employee Benefits Office his/her Declaration of Intent to Enroll within 30 days and by conforming to the rules for admittance to the plan desired.

Addition of spouse or domestic partner or other eligible dependents must be made within thirty (30) days of date of marriage or date of qualifying event, through the Employee Benefits Office. Change in marital status or death of spouse or domestic partner must be reported to the Employee Benefits Office so that the insurance carriers may be notified and adjustments can be made to the plan if necessary.

Effective January 1, 1991, all new hires shall contribute fifteen percent (15%) of the health insurance premium costs for health and dental benefits.

Effective January 1, 1997, the District will provide and administer a pre-tax premium plan for all employees contributing towards Health and Dental Insurance premiums.

Effective January 1, 1991, each married employee whose spouse or domestic partner is also employed by the District shall be entitled to benefits under only one family contract.

Effective January 1, 2010, the District shall make available plans equal to or exceeding the levels of benefits as provided by the "RCSD Enhanced Plan" and the "RCSD Economy Plan." All employees who were previously enrolled in any health insurance plans in 2009 were automatically enrolled in the "RCSD Enhanced Plan" at no cost to the employee, unless hired after January 1, 1991, in which case employees contribute 15% of the health insurance premium costs for the "RCSD Enhanced Plan." If an employee hired after January 1, 1991 elects to enroll in the "RCSD Economy Plan," the employee shall contribute 5% of the health insurance premium costs for the "RCSD Economy Plan."

When illness allowance of an insured employee is exhausted and earned vacation time has been exhausted and the employee is on an Extended Illness or Injury Leave, premiums shall be paid by the City School District at the discretion of the Chief of HCI for a period not to exceed ninety (90) days thereafter.

Full insurance premiums for the months of July and August will be paid by the City School District for all employees who have an assigned work schedule of at least one hundred eighty (180) days.

The employee who becomes eligible for Medicare, or whose spouse or domestic partner becomes Medicare-eligible, either due to reaching age 65 or due to disability, must notify the Employee Benefits Office in advance so that the health insurance may be converted under the provisions of Federal law. For post-65 retirees, the District will pay the full premium cost of the traditional indemnity plan. If the post-65 retiree selects an alternative plan, the District will contribute the premium cost of the traditional indemnity plan towards the alternative plan, so the retiree will only need to pay the difference. Medicare is primary at the age of 65.

All employees hired on or after July 1, 2007 shall continue to contribute the same percentage of insurance premium costs for the "RCSD Enhanced Plan" or the "RCSD Economy Plan" (depending on which plan the employee chooses) upon retirement as they did while employed.
