## Timothy Wagner Memorial Scholarship June 2023

---

Tim Wagner was a devoted educational leader who served the Rochester City School District community for nearly 50 years. Tim was a teacher, an assistant principal, and principal. He was a dignified professional who found a kind word for everyone and a refreshing perspective for every situation. Tim's sense of humor, infectious laugh and generosity will forever be missed.

Following his retirement from the Rochester City School District, he enthusiastically and tirelessly served as the Executive Director of ASAR (Association of Supervisors and Administrators of Rochester) for nearly 20 years.

Regardless of his role, Tim's commitment to supporting educational leaders and all students was unwavering and his impact immense. Tim was loved by all who knew him at work, home, and in the larger community. A mentor, the voice of calm and reason, and a Rochester City School District historian, Tim's legacy will carry on and his impact will be realized for many years to come.

Tim's avocation for students was constant. Among the many initiatives that Tim was responsible for, he may have been most proud of the ASAR Leadership award. This award has been presented each year to two outstanding student leaders in every school in the Rochester City School District.
